

She be

She be

she be

she bow

she shy

she shake

she cry

she glow

she slide

She be
 Tupac in the summertime
 She be
 we tumble in the fall
 She be
 writing on the fast train
 She be
 writing honey slow
 She be
 listen, she say listen
 She be
 rhyming with Coltrane
 She be
 singing us some praise songs
 She be
 a chandelier of sound
 She be
 traveling with ashe ashe
 She be
 prancing with her sons
 She be
 channeling tenacity
 She be
 heart sing heart sing heart sing song
 She be
 circling her audience
 She be
 can't wait, can't wait for love

she be

she be

she be

She fly

she be
